Please list any clubs, activities or other commitments you have in the community. If you hold an office, please specify that as well.

Part III-

Briefly explain why you would like to be a member of Color Guard/ Drill Team? What do you hope to gain from this experience?

What qualities of your character would be beneficial for the Color Guard/ Drill Team? What qualities and skills do you bring to the team? In other words, how will Color Guard/ Drill Team benefit from your membership?

What are your greatest personal challenges? What is your greatest weakness?

Part IV

I have completed this application to the best of my ability, and all the information listed here is complete and accurate to the best of my knowledge. I understand that the information in this application will be reviewed by the advisor(s), coaches, and/or judges. This application will be used to help determine membership to the squad, but in no way is the sole deciding factor. This is only one step in the process. I further understand that this application in no way guarantees me a position on Color Guard/ Drill Team.
