Crescenta Valley Instrumental Music Foundation

Crescenta Valley Instrumental Music Foundation is an IRC Section 501(c)(3) non-profit foundation, whose primary purpose is to raise money to support the instrumental music program at Crescenta Valley High School. Since the school district supplies less than half the funding necessary to operate the instrumental music program, the money we raise is essential to providing new instruments and instrument repairs, transportation expenses, fees for festivals and other performances, and classroom equipment and supplies. All donations to CVIM are fully tax-deductible.
