

**Thank you** for attending the 2008 Instrumental Winter Concert. We appreciate your continued support for the music program at Crescenta Valley High School and hope that you had a wonderful evening.

It is you, our family and friends, who make this kind of event possible. Each year, our program is supported by the GUSD, donations from family, friends, and local businesses, and thousands of volunteer hours from students, parents, and friends.

The program's yearly expenses are high, over \$60,000. This comes to about \$250 per student. Of this, over a third is spent on registration and transportation to competitions and festivals.

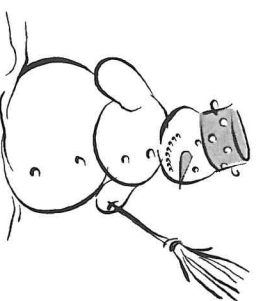

- The district funds about 40% of the Instrumental Music Department's expenses.
- Another 30% comes from the CV Instrumental Music Foundation's fundraising efforts.
- The last 30% comes from the generous donations of people like YOU.

If you can give, please do. We have plenty of volunteer opportunities as well, so if you would like to help in other ways, let us know.

To make a donation to our program please see the parent volunteers in the lobby during intermission and before and after the show.

Thank You,

*Matthew Redick*
