

Good evening and welcome to the Crescenta Valley High School Annual Spring Concert. Tonight you will hear a showcase of music from each of the instrumental performing groups at Crescenta Valley High School. This concert is classically oriented because we are playing music we perform at local and regional festivals for evaluation. Music is selected from a list approved by music teachers all over Southern California to ensure that each group chooses selections with quality music standards and concepts. Our concert is a bit earlier than usual this year and we haven't yet reached the official festival season, but a few groups have had early experiences at festivals.

On February 26th, our Jazz Band moved up from being a "Novice" Jazz Band to an "Advanced" Jazz Band and performed very well in the Mayfair Jazz Festival in Lakewood, CA. Our Concert Band, Symphony Orchestra, and String Orchestra all earned Superior Ratings last weekend at the Glendale Unified School District Festival.

Tonight's performance will be a dress rehearsal for our upcoming festivals. We will experiment with phrasing, balance, and other musical concepts so that we may be better prepared when we play for the judges.

Thank you for being here and sharing our music. I know you'll enjoy the wide variety of music and talent the Instrumental Department at Crescenta Valley has to offer!

Musically yours,

*Matthew Schick*

As always, we want to extend a **HUGE THANK YOU** to all of the volunteers who provide their time, vehicles, and equipment to make our music activities a smashing success!
