

Letter from the Director...

Welcome to the 2012 Crescenta Valley High School Instrumental Music Spring Concert! What makes this concert

unique is that the music you hear tonight will be the same music that each CV instrumental music group performs at adjudicated Festivals this year.

I am especially excited this year because many of the selections tonight are pieces that NO CV music ensemble has performed before. Usually, I recycle music every 4 years or so. I might add one new piece per group to a set, but I try to use music we have in our library that has proven to be both educational as well as enjoyable to play.

This is beneficial because it exposes students to new, meaningful music every year, while allowing me the experience and knowledge of rehearsing pieces I've already performed with past CV instrumental music ensembles. Every time I rehearse a piece I've done before, I learn something new. The beauty in music resides in an evolving appreciation and understanding of the piece.

Since this is my 10th year at CVHS and I have already gone through almost 3 cycles of music, I've decided to add to the "music DNA" of our library. While the 21 selections you will hear tonight are new to all current CV musicians, 12 have also **never** been played by a previous CV music group. Over half of the music tonight is brand new! It is always enjoyable rehearsing with these musicians. They are talented, motivated and extremely bright.

Enjoy!

Matthew Schuck

As always, we want to extend a HUGE THANK YOU to all of the volunteers who provide their time, vehicles, and equipment to make our music activities successful. Your support ensures our CV musicians have a fun and rewarding experience.
