

Happy Holidays!

Welcome to our annual Instrumental Holiday Concert. In this busy season as we wind down our activities and reflect upon the highlights of the year, I invite you to sit down, relax and take a "stress free time out" while we provide some well needed Holiday Cheer. All of our groups have worked hard to present you an entertaining and musical concert. You will hear both traditional and modern holiday selections ranging from orchestral German carols, to a funky version of "Deck the Halls." We are also honored to have "Uncle Joe Benson" reprise his 2006 narration of "Twas the Night Before Christmas." I know you will enjoy the character and retelling of this amazing story.

Thanks again for attending tonight. The Instrumental Music Program is dependent on support from parents and friends like you. Everything you see tonight, from the decorations, concert programs, bake and ticket sales, etc. comes from parent volunteers who realize that a successful music department depends on supportive parents who are willing to dedicate their time to help every child have a remarkable experience in music. Whether it's through financial contributions or donation of personal time, every bit contributes to the success of our program at CV.

Have a wonderful Holiday!
