

Greetings!

Welcome again to another fabulous Crescenta Valley High School Instrumental Music Concert. I enjoy this concert because it gives all of our amazing groups an opportunity to perform the music they perform at Spring Festivals. Three of our groups have already performed at Festivals this season and all have earned the highest score of "Superior."

Festival season is a time when groups travel to other schools and perform "Classical" or "Traditional" music for judges who make comments while looking at the exact same sheet music the conductor uses to lead the groups. It can be a bit stressful because the judges know exactly what the students should be playing. What I especially enjoy about Festivals is that there is no "competition." There is no 1st, 2nd, 3rd or last place. There is only a ranking which establishes how well each group performs. Groups can earn a Superior (the highest), Excellent, Good, Fair and Poor. With the ranking also comes feedback which is both written and spoken. We all receive CD's or audio files with comments on our playing. Usually, I try to play the judges' comments for each performing group.

So, sit back and enjoy our "Superior" performances with selections as diverse as:

"Molly on the Shore," a piece based on a traditional Irish Dance called an "Irish Reel,"

"Buckaroo Holiday," music from the ballet "Rodeo" depicting cowboys showing off and letting off steam after a hard work week on the plains;

"Landscapes," an amazing musical depiction of the grandeur of vast scenes of nature;

"Journal to a Soldier," a piece inspired by kids of fathers and mothers in the military praying for their safe return home;

"Jupiter," Holst's classic tribute to the "Jovial" 5th planet from the sun, and **"Honk,"** a straight ahead Funk tune that sounds much like it's title.

I hope you enjoy the concert!

Musically yours,

matthew schuch

CVIM thanks the Disney Foundation and BP for the generous donations made through their matching funds programs. Other corporations offer similar programs; might your employer help support our music department?

Our music department has also received generous grants by the Crescenta Valley Arts Council and Mary Pinola/Crescenta Valley Chamber of Commerce Education Fund towards the purchase of new drums and percussion equipment.

CVIM thanks the local businesses that generously contribute to our music program: Ralphs and Vons for their Community Contribution and E-Script plans; and the hosts of our dine-out fundraisers, Togo's/Baskin Robbins, Straw Hat Pizza, The Habit, and Blaze Pizza. We also thank Starbucks for its donations of hot beverages during many of our events.
