Message from the Director

WELCOME TO THE 2014 INSTRUMENTAL POPS CONCERT

Welcome to the 2014 CVHS Instrumental Music Pops Concert!

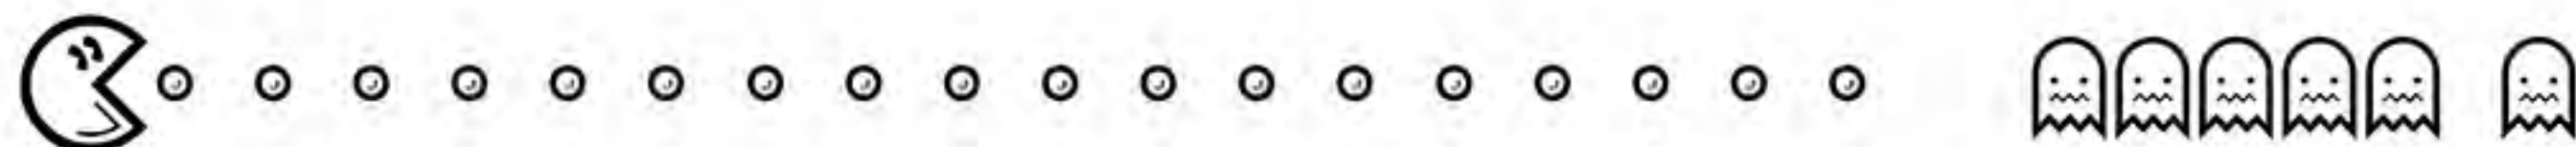

Tonight our theme is "Video Games." Video games have evolved greatly and have become a part of our culture. They are now not just on our computers or game consoles, but are also on portable devices and even on our phones. These video games provide a dynamic interactive experience, which allows the gamer to briefly "escape" from reality and do anything from matching colored candy pieces to battling dragons in mythical lands with people from all over the country. Also, video games are an interactive form of entertainment which, depending upon what the user does, can provide a great stress release or create anxiety. Great video games incorporate an interactive score, which changes the style of music based on the user's actions.

We will be playing music from video games, which reflect the interactive make-up of extremely dynamic and engaging games, such as Kingdom Hearts, World of Warcraft, Journey, and Super Mario Brothers, to name a few. The style of well-created music for video games changes as the player moves from zone to zone within a game, gets in a fight, or even falls in love. Tonight you will hear many video game songs which inspire us to be heroes, defeat the bad guy, and save whomever needs saving.

When I was younger, I played video games to pass the time and to this day I still play games on my phone and occasionally on my computer. So, sit down, put a quarter in the game and enjoy a wonderful evening filled with a wide variety of video game music.

INSTRUMENTAL MUSIC DONORS

Thank you!! With the generous support from families, individuals and our beloved community, the Crescenta Valley Instrumental Music program has continued to be the flourishing success it is today. Students have a unique opportunity to grow and mature in a structured, creative, stimulating and musical environment because of your generous donations. We are so grateful for your support to this fine program and to its superb Music Director, Mr. Schick. You give him the tools that help mold recognized, respected representatives of our fine Crescenta Valley community, who by the way, have also become excellent musicians in the process.

With sincere gratitude,

CVIM thanks the Disney Foundation and BP for the generous donations made through their matching funds programs. Other corporations offer similar programs; might your employer help support our music department?

Our music department has also received generous grants by the Crescenta Valley Arts Council and Mary Pinola/Crescenta Valley Chamber of Commerce Education Fund towards the purchase of new drums and percussion equipment.

CVIM thanks the local businesses that generously contribute to our music program: Ralphs and Vons for their Community Contribution and E-Scrip plans; and the hosts of our dine-out fundraisers, Togo's/Baskin Robbins, Straw Hat Pizza, The Habit, and Blaze Pizza. We also thank Starbucks for its donations of hot beverages during many of our events.
