MUSIC

**POPS  
CONCERT**

**FRIDAY, MAY 6, 2016  
7:00 PM**

**PRESENTED BY CVHS VISUAL &  
PERFORMING ARTS DEPARTMENT**

Man must rise above the Earth—to the top of the atmosphere and beyond—for only thus will he fully understand the world in which he lives.

— SOCRATES (470-399 BC)

# WELCOME TO SPACE

**Are we alone in the Universe?** Is there intelligent life “out there?” These are all questions I ponder when looking up at the starry sky. I remember camping away from city lights in Texas while in the 6th grade, gasping at the multitude of stars forming the Milky Way, and being in awe while thinking that there is no way we are alone in the Universe!

**I think we are all trying to find where we fit in.** From our interpersonal relationships to our own identity and from nationalism to globalism, we all are striving to find our purpose in life at some level. If we take a top down view and remember that, ultimately, we live on a grain of sand in the vast ocean of space, I believe it allows us to put things in a better perspective. The more we can understand space, the more we can understand our own world and our role in it.

**Tonight our talented, superior and award-winning young musicians** will play music inspired by Space. Some of the music is mysterious. Some of it is iconic. And some of it is simply world play. But all of it is fun and all of it has been put together to remind us how creative humankind is and that we probably are not alone.

I hope you enjoy the concert.

*Mark Schick*

**Good Evening to all of our friends, family members, and supportive guests of our fine community!**

**IT HAS TRULY BEEN** an amazing and successful year for our talented musicians. They have worked endlessly to achieve some of the highest levels ever (in CVHS history) of music performance at competitions and festivals! The level of talent we are so privileged to have here is largely due to the fact that our CV community values the fine arts, and our music programs have been allowed to thrive and blossom from the elementary schools all the way to CVHS! This, of course, could not have happened without the dedicated teachers, parents, and family members who donate so much of their time and resources to nurture this growth. Tonight, we would like to thank all of you who have helped to promote our music program by being present when you answered our call for help, whether it be volunteering your time, or donating snacks or monetary contributions. We are sincerely grateful for every bit of your support! Our CVIM foundation is strongest when we have high numbers of member participation, allowing our wonderful music director Mr. Schick to focus on teaching and enriching our students with the best music education afforded. Now, sit back, relax, and enjoy what you have helped to foster – the talents of these fine groups as they perform popular pieces with the theme of SPACE....

# THANK YOU!

CVIM would like to thank our gracious **Pizza Wars** vendors for their participation in last month's fundraiser.

Thank you: Raymond, Edgar, Serge, Miguel, Danny, Bill and Charles, Jeff, and Joseph. It was loads of fun, it all tasted great, and we raised a bunch of 'dough' for our instrumental music program. To all the Pizza Warriors who ate and judged (difficult work, no doubt), please visit these fine establishments when next you have the opportunity.
