UNIFORM INFORMATION AND POLICIES
2015-2016

Marching Band is a Fall Semester music class for the student who has had previous training in music. Marching Band will further the musical growth and marching techniques required in parades, field shows, and pep bands. Marching Band follows the Visual and Performing Arts Standards by developing and expanding musical expression, aesthetic judgments, connections in society, as well as providing a greater understanding of music from various classical periods, composers, and cultures. Marching Band may also count towards one semester of PE Credit as well as fine arts credit. Performance participation is a requirement of the class.

Students in first semester Band (Marching Band) will learn basic military and drum and bugle corps marching techniques, memorizing and leadership skills.

Second semester, students in Concert Band will learn concert band literature and perform in festivals and other school concerts. Occasionally, the Marching Band will be required to perform second semester for a "gig" or special performance.
