Instrumental Music Donors

On behalf of all of the parents and friends in the CVIM Community we want to say what a joy it has been to watch our young musicians grow and tackle new musical challenges. In tonight's Spring Concert, we are delighted to see the fruits of that labor blossom in this glorious celebration of the season of renewal! In honoring their achievements we want to acknowledge the tireless dedication of our music director, Mr. Mathew Schick. And we especially want to recognize the extraordinary efforts of the families, friends and community supporters listed below. Through their donations of time and resources, these generous supporters have made it possible for this truly wonderful instrumental music program to build on its remarkable success. We sincerely thank all of you who have enabled the beautiful music to play on.

CVIM would like to recognize the generous contributions from local businesses and organizations for their support of CV Instrumental Music: Many thanks to Ralphs and Vons for their Community Contribution and E-Scrip plans; to CVHS PTSA for its contribution towards new AV equipment; Goodwill for its assistance with our Fall and Spring Cleaning fundraisers; Blaze Pizza for our dine-out night; and Thompson Brother's Cleaners, the "official" cleaners of the CVHS Marching Band.

CVIM would like to thank the Disney Foundation for the generous donations made through its matching funds program. Other corporations offer similar programs; might your employer help support our music department?

Welcome to the 2015 Crescenta Valley High School Instrumental Music Spring Concert.

This concert highlights all of our amazing groups as they perform the music they play at Spring Festivals. Although this music may not be as familiar as what we play during the Winter or Pops Concert, the music usually evokes stories and imagery which allow our students to explore musical concepts such as phrasing, dynamics, and other instrument-specific techniques.

Festival season is a time when groups travel to other schools and perform music for judges who make comments while looking at the conductor's score. It can be a bit stressful because the judges know exactly what the students should be playing. However, what makes these performances unique is that, unlike a sport, there is no competition. Students don't compete with other schools for 1st, 2nd or 3rd place. They perform for a ranking, which establishes how well each group performs. Groups can earn a Superior (the highest), Excellent, Good, Fair or Poor. Along with the ranking comes feedback from the judges, which is both written and spoken. Each group receives audio files from all of the judges with comments on our playing.

Our groups usually do very well at Festivals and consistently receive the highest ratings!

So, sit back and enjoy our "Superior" concert performances with selections as diverse as:

"Redemption," a contemplative piece written by a new composer, Rossano Galante.

"Incantation," a mysterious piece which evokes magic and the power of spoken spells.

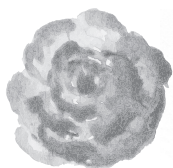

"An Outdoor Overture," a piece written in 1938 by the great American composer Aaron Copland, which evokes images of the great American outdoors.

"Night in Tunisia," a classic Jazz chart bridging the worlds of Latin and Swing music.

"Rumble on the High Plains," a rhythmic and harmonic story of high energy showmanship.

And, of course, our popular favorite with over 15,000 views on YouTube "Uptown Funk," a fun popular tune, which a student of ours arranged for the "World Famous" CV Jazz Band!

I hope you enjoy the concert!

Musically yours,

Mathew Schick
